<b>Volume:</b> 10	<b>Nomor:</b> 2	<b>Edition :</b> July 2024	<b>Halaman:</b> 344 s/d 733	<b>p-ISSN:</b> 2442-9481 <b>e-ISSN:</b> 2685-7332
----------------------	--------------------	-------------------------------	--------------------------------	--

<b>Quality of biology laboratory infrastructure and Facilities in High School</b> <i>Sekar Ganda Ning Tyas Arum, Much Fuad Saifuddin, Silfi Pratiwi, Tri Rahayu Isnayanti, Dinda Iftiqah Rahma, Etika Dyah Puspitasari, Retno Wulandari, Purwanti Pratiwi Purbosari</i>	PDF 344-353
<b>Antibiotic-Resistant Lactic Acid Bacteria <i>Pediococcus acidilactici</i> Isolated from Buffalo's Milk Fermentation (Dadiah) Bukittinggi, West Sumatera</b> <i>Nadia Purnama Dewi, Dessy Abdullah, Yudha Endra Pratama</i>	PDF 354-363
<b>Development of a Diagnostic Test Based on Three-Tier Multiple Choice to Identify Student Misconceptions on Circulatory System Material</b> <i>A. Khaeru Nisa, Ismail Ismail, Adnan Adnan</i>	PDF 364-378
<b>Molecular Identification of Fungi carried by Chili Seeds (<i>Capsicum annum L.</i>) from Tanjung Morawa B Village, North Sumatra</b> <i>Dewi Novina Sukapiring, Lily Novianty, Siti Nurlani Harahap</i>	PDF 379-388
<b>Students' Attitudes and Behaviour towards the River and Activities of the Surrounding Communities</b> <i>Novita Resti, Hertien Koosbandiah Surtikanti</i>	PDF 389-402
<b>Exposure to Shampoo Made from Bangle Rhizome Extract (<i>Zingiber montanum</i>) to Histopathological Changes in the Kidney of Mice (<i>Mus musculus</i>)</b> <i>Rina Priastini Susilowati, Adit Widodo Santoso, Budiman Hartono</i>	PDF 403-413
<b>Development of a Module Based on Problem Based Learning (PBL) Model And Local Potential As Supporting Biodiversity Materials In Senior High School of SMA Negeri 1 Natal</b> <i>Amelisa Putri, Kartika Manalu</i>	PDF 414-430
<b>A Review of The Suitability of Mangrove Agro-ecotourism Areas in Perupuk Village, Batubara Regency, North Sumatra Province</b> <i>Uswatul Hasan, Siti Mardiana, Syahbudin Hasibuan</i>	PDF 431-439
<b>Analysis and Reconstruction of Student Worksheets on the Practicum of Catalase Enzyme, with The Tools and Materials Alternative</b> <i>Shopiah Dhuha Siregar, Zhafira Zhafira, Alfyn Abdan Nurahman, Bambang Supriatno, Amprasto Amprasto</i>	PDF 440-452
<b>Tourism Suitability Index of The Mangrove Area of Pulau Banyak Village, Langkat, North Sumatra: An Ecological Approach</b> <i>Helentina Mariance Manullang, Zulkarnain Lubis, Raja Sabrina</i>	PDF 453-463

<b>The Effect of Project-Based Learning Model on Higher Order Thinking Skills of Senior High School (SMA/MA) Students for Biotechnology Material</b> <i>Rika Muliana Tanjung, Rasyidah Rasyidah</i>	PDF 464-476
<b>Identification of Plants Diversity Composing Peatland Vegetation After Forest Fires in the Mount Bongkok Reserved Forest</b> <i>Ivan Eldes Dafrita, Tesa Manisa, Novi Nurmayanti</i>	PDF 477-487
<b>Development of Non-Text Book on Flora and Fauna Diversity in the Mangrove Ecotourism Area, Karang Gading Wildlife Reserve, North Sumatra</b> <i>Rensiva Ray Pehulisa, Mufti Sudibyo, Melva Silitonga</i>	PDF 488-500
<b>Critical Thinking Profile and Environmental Literacy Analysis of Al-Washliyah Labuhanbatu University Biology Education Undergraduate Students</b> <i>Rahmi Syafriyati, Fitri Endang Srimulat, Witma Novita Atnur</i>	PDF 501-510
<b>Improving High School Students' Creative Thinking Skills through Role-Playing Learning Models on Digestive System Material</b> <i>Siti Nur Annisa Boang Manalu, Syarifah Widya Ulfa</i>	PDF 511-522
<b>Mangrove Ecosystem Condition at Three Regency on The East Coast of North Sumatra: A Review</b> <i>Bambang Hendra Siswoyo, Siti Mardiana, Raja Sabrina</i>	PDF 523-532
<b>Development of Online Biology Learning Media on Genetic Substance and Cell Division Material for Third Grade (XII) Methodist High School El Shadday Perbaungan</b> <i>Maria Meita Simanjuntak, Syahmi Edi, Binari Manurung</i>	PDF 533-546
<b>Agronomic Characteristics of Various Soybean Varieties (Glycine max L.) Can Grow and Produce Due to Shade Stress</b> <i>Deddy Wahyudin Purba, Suswati Suswati, Zoelherly Noer</i>	PDF 547-561
<b>The Effect of the Socio-Scientific Inquiry (SSI) Learning Model on the Comprehension of Ecosystem Concepts by High School Students</b> <i>Yara Maulina Nasution, Ummi Nur Afinni Dwi Jayanti</i>	PDF 562-572
<b>Evaluation and Improvement of The Effectiveness of Floating Pellets with Substitution of Chicken Feather Meal as Optimal Food for The Growth And Survival of Tilapia (Oreochromis niloticus)</b> <i>Dimas Pratama, Dwi Tika Afriani, Emmy Syafitri</i>	PDF 573-589
